

Poster entry

We need you to help us tell the public of Yeovil about how special our oceans are, and the need to protect them from things like climate change, pollution and over-fishing.

To enter this poster competition, design your poster on the theme of

“Protect our Oceans”

Your poster should be on one side of A4 and should be your own work.

The winning entry in each age category will be turned into a large poster to hang in our window at the Quedam Centre for one week during October. You'll be able to come and see it with your family and friends. You'll also win an amazing prize.
